## CONTENTS OF THE DVD

### TOP TOURNAMENTS

**Saint Louis:** Caruana moved ahead of the field in round 6 and went on to defend his lead successfully against Carlsen. In the final round Aronian and the world champion each had to win to draw level with the US American. The world champion's trainer Peter Heine Nielsen provides commentary on his protégé's game against Nakamura. In addition the DVD offers several video analyses of Daniel King.

**Dortmund:** At the Sparkassen Chess Meeting Nepomniachtchi stood head and shoulders above the competition. The top Russian player annotates his win over Kramnik on the DVD.

**Biel:** Mamedyarov continued his winning streak at the chess festival in Biel and at the end left Carlsen behind in second place with a lead of 1.5 points. The way to the triumph of the Azerbaijani was prepared by his victory with White over the world champion in the penultimate round.

### OPENING VIDEOS (see page 25)

On the DVD you will find three openings videos with a total running time of over an hour! E.g. Grandmaster Simon Williams shows you how to get wonderful play with White in the Sicilian Wing Gambit. And that even in the main variation!
